Asia Association of Plant Scientists

Asia Association of Plant Scientists (AAPS) being a non-profit organization shall provide a common platform for Asia plant scientists to ponder on finding innovative solutions towards issues seeking immediate attention. Society will strive hard to bring scientific education and awareness among Asian people having sympathies with the society objectives:

- The purposes of this organization are to encourage and promote the growth of plant sciences education, awareness and research aptitude among the plant scientists, researchers and students.
- The organization will promote both basic and applied aspects of plant sciences and life processes of plants, to publish innovative and path breaking results in plant sciences.
- To act as a platform to promote the common welfare and fellowship of plant scientists across Asian Countries. The Society is a non-profit scientific organization and will operate without the object of financial gain.

<https://aapsci.org>

Membership for other Asian Countries will commence from April, 2021

Why Should I, Join AAPS?

AAPS registered members are honored with exclusive discounts and a whole range of dedicated content and active participation in science forums at Asia Level.

What do I receive with an AAPS Membership?

- Exclusive access to the contents and discussions platforms of plant biologists' networks in Asia.
- A discounted registration fees for regular scientific conferences and workshops of the AAPS.
- Reduced subscriptions fee to AAPS publications.
- Exclusive access to the Members Area on the AAPS Website
- Regular e-Newsletters and emails sharing information's on AAPS activities.

Student Membership benefits

- Students (graduate/postgraduate) can avail AAPS membership at a very nominal fee. Student members can request mentorship from their subject specialist and develop a unique mentor-mentee relationship.
- Limited number of Students participating in AAPS events shall be offered a free registration, travel and living cost!

"Student can become Ambassadors of plant science in their countries"

Membership Fee in USD \$ (*Indian rupees, INR)

	1 year	3 year	5 year
Honorary Faculty	*gratitude		
Postdoctoral fellow	100 \$ (7500 INR)	150\$ (10,000 INR)	250\$ (15000 INR)
Researcher	70\$ (5000 INR)	125\$ (12000 INR)	200\$ (15,000 INR)
Graduate student	50\$ (3500 INR)	100\$ (7500 INR)	150\$ (10000 INR)
Undergraduate student	25\$ (1500 INR)	50\$ (3000 INR)	75\$ (5000 INR)
Industry personnel	10\$ (500 INR)	25\$ (1500 INR)	50\$ (3500 INR)
	150\$ (10,000 INR)	250\$ (20,000 INR)	400\$ (30,000 INR)

Members from low income countries (World Bank Reports, 2020) and members with institutions registered with research4life (<https://www.research4life.org/>) will be offered 50% discount in membership fee across all types

Bank Account Details

Account Name:	ASIA ASSOCIATION OF PLANT SCIENTISTS
Account Type:	INSTITUTIONAL SAVINGS ACCOUNT
Account Number:	50100398259469
Bank Name:	HDFC Bank Limited
IFSC Code:	HDFC0000108
MICR Code:	160240007
Tax rebate	Income tax exemption 80 G (INDIA Only)

Membership benefits:

25% discount in Registration fee of attending Annual events organized by AAPS.

25% discount in fee of publication in AAPS journal(s)/Annual proceedings. Travel grants to attend AAPS annual events.

For more information visit: <https://aapsci.org>, Contact us: info@aapsci.org

Address: AAPS branch office, 802, Sector-81, Indian Institute of Science Education and Research (IISER), Mohali, India, 140306

#While paying membership fee online, use your name as a payment reference ID and mobile number for QR code based payments. Send these details to the AAPS at membership@aapsci.org
